Awesome... by Marika T. Awesome game with a long story with lots of potential! Wish I could play more.....

by Shu This is a very beautiful game. I am sorry that I can not enjoy it to max but I am enjoying it to max anyways. The characters are awesome and have a very strong story. I just can not wait to start the game again because I can not play it :(But I hope I can play it someday.

Thanks for the great anime and chara both. Long text is a bummer.... by Sylvia P. I have just started playing Elden Ring. It is a very beautiful and serious game. The gameplay and mechanics are

excellent. I enjoy the characters a lot. My only complaints are the length of the text. It is very discouraging and takes the enjoyment out of the game.

Q: Get a specific space between two divs I have two divs which are floated on left and right. I want to float the second div right of the first div as if it were a right floated div of the first div. Is there a way to do this with pure css? A: There are several ways. I will use :nth-of-type() to target the second div then float it to the right. example:

```
.parent { width: 120px; } .left { border: 1px solid red; } .right { border: 1px solid blue; } .target { border: 1px solid green; float: right; margin-right: 25px; }
```

Left Target Right The American Civil Liberties Union is taking aim at a prominent American museum that is allowing armed guards to patrol its galleries and saying the move amounts to a giant “shield” for gun owners. “It’s completely self-explanatory,” said Leslie Cooper,
